Close the door  
Shut the world away  
All the fight's gone from this wounded heart  
Across the floor  
Dreams and shadows play  
Like wind blown refugees

Call the man  
Who deals in love beyond repair  
He can heal the world  
Of hearts in need of care  
Shine a light ahead  
When the next step is unclear  
Call the man  
He's needed here

I close my eyes  
I remember when  
Your sweet love filled this empty room  
The tears I cry  
Won't bring it back again  
Unless the lonely star should fall

Call the man  
Who deals in love beyond repair  
He can heal the world

Of hearts in need of care  
Shine a light ahead  
When the next step is unclear  
Call the man  
He's needed here

Needed in the chaos and confusion  
From the plains to city hall  
Needed where the proud who walk the wire are set to  
fall

Call the man  
Who deals in once upon a time  
Maybe he  
Can mend this broken heart of mine

Shine a light ahead  
Now the future isn't clear  
Call the man  
He's needed here  
Call the man  
He's needed here

He's needed here  
He's needed here  
Call the man

He's needed here  
Right here right now
