You say you still don't know the reason why
I walked away
I know you thought you were so good to me
I didn't see it that way

My love's not something you can buy and sell
Like pearls on a string
And if you want to know where we went wrong
You ought to stop and think

Did you give enough love
Did you show that you cared?
When I needed understanding
Were you really there?

Whenever I was down
Did you try to pick me up?
Maybe you should ask yourself
Did you give enough love?
Did you give enough love?

Good intentions I know you had
Right from the start
But if you wonder why we didn't last
Just look inside your heart

Did you give enough love
Did you show that you cared?
When I needed understanding
Were you really there?

Whenever I was down
Did you try to pick me up?
Maybe you should ask yourself

Did you give enough time
When I was alone
When I needed you there
To make me feel I belonged
You just don't know what you do to me
I just had to be free

Did you give enough, did you, did you
Did you give enough love, did you, did you?
Did you give enough love?

Did you give enough love
Did you show that you cared?
When I needed understanding
Were you really there?

Whenever I was down
Did you try to pick me up?
Maybe you should ask yourself
Did you give enough love?
Did you give enough love?

Did you give enough, baby?
Did you try to make me [Incomprehensible]?
Yes you say

Did you, did you, did you give enough
Did you, did you, did you give enough
Did you, did you, did you give enough

Did you give enough love?
Did you, did you, did you give enough
Did you, did you, did you give enough love?
Did you, did you, did you give enough
