Don't get so busy that you miss  
Giving just a little kiss  
To the ones you love  
Don't even wait a little while  
To give them a little smile  
A little is enough

How many people are crying  
People are dying...  
How many people are asking for love

Don't save it all for Christmas Day  
Find a way  
To give a little love everyday  
Don't save it all for Christmas Day  
Find your way  
Cause holidays have come and gone  
But love lives on  
If you give on  
Love...

How could you wait another minute  
A hug is warmer when you're in it  
And Baby that's a fact  
And saying "I love you's" always better  
Seasons, reasons, they don't matter  
So don't hold back

How many people in this world  
So needful in this world  
How many people are praying for love

Don't save it all for Christmas Day  
Find a way  
To give a little love everyday  
Don't save it all for Christmas Day  
Find your way  
Cause holidays have come and gone  
But love lives on  
If you give on  
Love...

Let all the children know  
Everywhere that they go  
Their whole life long  
Let them know love

Don't save it all for Christmas Day  
Find a way  
To give a little love everyday  
Don't save it all for Christmas Day  
Find your way  
Cause holidays have come and gone  
But love lives on  
If you give on  
Love...  
Love...
