Lyin' in my bed, thoughts in my head  
Visions of you but I can't get through the night  
So pick up the phone, I know you're home  
You're playin' with my heart and you know that it just  
ain't right

It's just a game of love, love, love  
And even though it's hard baby  
I can never give you up

You're the one I'm dreamin' of  
I can't live without your love, tonight  
And it's you that I adore  
You're the one that I live for, inside of you  
I'm dreamin' of you

So I get in the car but I didn't get far  
'Cause the radio played, every song that I sang with  
you  
Yesterday's gone and it may be true  
But you know that I'll never get over you

It's just a game of love, love, love  
And even though it hurts me baby  
I can never give you up

'Cause you're the one I'm dreamin' of  
I can't live without your love, tonight  
And it's you that I adore  
You're the one that I live for, inside of you  
I'm dreamin' of you

You, you gave me love  
Love gave us hope and strength to carry on  
And you, you gave me faith  
When I was fallin' down, you would pick me up, my love

You're the one I'm dreamin' of  
I can't live without your love, tonight  
And it's you that I adore  
You're the one that I live for, inside  
But baby, baby, baby, baby, baby

You're the one I'm dreamin' of  
I can't live without your love, tonight  
And it's you that I adore  
You're the one that I live for, inside  
Baby, I'm dreamin' of you
