Lyin' in my bed  
Thoughts in my head  
Visions of you  
But I can't get through the night

So pick up the phone  
I know you're home  
You're playin' with my heart  
And you know that it just ain't right

It's just a game of love, love, love  
And even though it's hard baby  
I can never give you up

You're the one I'm dreamin' of  
I can't live without your love  
Tonight  
And it's you that I adore  
You're the one that I live for  
Inside  
Of you, I'm dreamin' of you

So I get in the car  
But I didn't get far  
'Cause the radio played  
Every song that I sang with you

Yesterday's gone  
And it may be true  
But you know that  
I'll never get over you

It's just a game of love, love love  
And even though it hurts me baby

I can never give you up

'Cause you're the one I'm dreamin' of  
I can't live without your love  
Tonight  
And it's you that I adore  
You're the one that I live for

Inside  
Of you, I'm dreamin' of you

You, you gave me love  
Love gave us hope and strength  
To carry on and  
You, you gave me faith  
When I was fallin' down  
You would pick me up, my love

You're the one I'm dreamin' of  
I can't live without your love  
Tonight  
And it's you that I adore  
You're the one that I live for  
Inside  
Baby, baby, baby, baby  
You're the one I'm dreamin' of  
I can't live without your love  
Tonight  
And it's you that I adore  
You're the one that I live for  
Inside  
Baby  
I'm dreamin' of you
