On s'est vus pour la premi re fois  
Et j'esp re que l'on se reverra  
C'est toute une histoire  
Qui se joue entre nous  
C'est toute une histoire  
D'amour

We saw each other for the first time  
And I hope we'll meet again  
That's quite a story  
That takes place between us  
That's quite a story  
Of love  
Et quand le th  tre s' teindra  
Et quand rentrera chez soi  
Dans la salle vide

Restera la rumeur  
De nos rires ensemble  
De nos larmes ensemble  
Et de nos battements de coeur

And when the theatre will switch off  
And when each will go to his own home  
In the empty room  
Will still have the rumour  
Of our laughs together  
Of our tears together  
And of our heart beats
