Lying in bed alone thinkin' 'bout how much I need you
Oh, give me one more chance to see you again
If only I'd have known, it was the last time I'd be with
you
I would've held on and never let you go

Baby, just have a heart, I'm begging you
Let me show you how much I need you
Baby, just have a heart, this much is true
But I miss your touch, I'm still in love with you

Here comes another day I don't know if I can make it
Oh, I just realized it's so lonely being free
Runnin' from the pain I'm never gonna shake it
Oh, how I need you to take it from me

Baby, just have a heart, I'm begging you
Let me show you how much I need you
Baby, just have a heart, this much is true
But I miss your touch I'm still in love with you my love

I always thought that I would have the upper hand
But now I know that I'm really not that strong
If I could only make you understand
I'd give you the world but for a start

Baby, just have a heart, I'm begging you
Let me show you how much I need you
Baby, just have a heart, this much is true
But I miss your touch, I'm still in love

I want you so bad, I'm still in love
I miss you so much, I'm still in love with you
I'm still in love with you
