CELINE DION & PAVAROTTI

CELINE

I'd like to run away from you
But if I were to leave you I would die
I'd like to break the chains you put around me
And yet I'll never try

PAVAROTTI

No matter what you do you drive me crazy
I'd rather be alone
But then I know my life would be so empty
As soon as you were gone

Impossible to live with you
But I could never live without you
For whatever you do

CELINE

For whatever you do

DUET

I never, never, never
Want to be in love with anyone but you

CELINE

You make me sad
You make me strong
You make me mad
You make me long for you

PAVAROTTI

You make me long for you

DUET

You make me live
You make me die

CELINE

You make me laugh
You make me cry for you

PAVAROTTI

You make me cry for you

DUET

I hate you

Then I love you

Then I love you

Then I hate you

CELINE

Then I love you more

DUET

For whatever you do

I never, never, never

Want to be in love with anyone but you

PAVAROTTI

You treat me wrong

You treat me right

You let me be

You make me fight with you

CELINE

I could never live without you

DUET

You make me high

You bring me down

You set me free

You hold me bound to you

I hate you

Then I love you

Then I love you

Then I hate you

PAVAROTTI

Then I love you more

I love you more

For whatever you do

CELINE

For whatever you do

DUET

I never, never, never

Want to be in love with anyone but you

PAVAROTTI

I never, never, never

CELINE

I never, never, never

DUET

I never, never, never

Want to be in love with anyone but you

But you
