C'est no l et comme chaque ann e
Le petit jojo a des joujoux plein sa ch min e
Mais depuis la nuit m me
Il a aussi un secret
  son nounours qu'il aime
Il murmure   si tu savais? p>

It's christmas and as every year
The little jojo had toys full his chimney
But since this same night
He also has a secret
To his teddy bear he loves
He whispers "if only you knew"
Moi, j'ai vu petite maman hier soir
En train d'embrasser le p re no l
Ils  taient sous le gui
Et me croyaient endormi
Mais sans en avoir l'air
J'avais mes deux yeux entr'ouverts

Me, I saw little mom last night
Kissing santa claus
They were under the mistletoe
And believed I was sleeping
But without showing it
I had both my eyes slightly opened
Ah si papa  tait v'nu   passer
J'me demande ce qu'il aurait pens 
Aurait-il trouv  naturel
Parce qu'il descend du ciel
Que maman embrasse le p re no l

Ah if dad would have come
I wonder what he would have thought
Would he have found natural
Because he's coming from the sky
That mom kiss santa claus
Quand j'ai vu petite maman hier soir
En train d'embrasser le p re no l
J'ai bien cherch  pourquoi
Et j'ai devin  je crois
C'est parce qu'il m'avait

ApportÃ© de si beaux jouets

When I saw little mom last night
Kissing santa claus
I've asked myself why
And I have found why I think
It's because he had
Brought me so beautiful toys
Aussi pour l'an prochain j'ai bon espoir
Qu'il viendra encore Ã mon appel
Et de nouveau je ferai semblant
De dormir profondÃ©ment
Si maman embrasse le pÃ¨re noÃ«l

So for next year I have good hope
That he'll come again to my call
And again I will fake
Sleeping well
If mother kisses santa claus
