These walls keep a secret  
That only we knew  
But how long can they keep it  
Cause we're two lovers who lose control  
We're two shadows chasing rainbows  
Behind closed windows  
Behind closed doors  
If walls could talk - oh  
They would say 'i want you more'  
They would say 'hey - never felt like this before'  
And that you would always be  
The one for me  
Just two people making memories  
Too good to tell  
And these arms are never empty  
When we're lying where we fall  
We're painting pictures, making magic,  
Taking chances,  
Making love  
If walls could talk - oh  
They would say 'i want you more'  
They would say 'hey - never felt like this before'  
And that you would always be  
The one for me  
If the walls had eyes - my  
They would see the love inside  
They would see - me

In your arms in ecstasy  
And with every move they'd know  
I love you so  
When I'm feeling weak  
You give me wings  
When the fire has no heat  
You light it up again  
When I hear no violins  
You play my every string  
So stop the press  
Hold the news  
The secret's safe between me and you  
Walls - can you keep a secret?  
If walls could talk - oh

They would say 'i want you more'  
They would say 'hey - never felt like this before'  
And that you would always be  
The one for me  
If the walls had eyes - my  
They would see the love inside  
They would see - me  
In your arms in ecstasy  
And with every move they'd know  
I love you so
