Take me back into the arms I love
Need me like you did before
Touch me once again
And remember when there was no one but you I wanted
more
Don't go you know you'll break my heart.
She won't love you, like I will
I'm the one who'll stay
When she walks away
And you know I'll be standing here still.

[Chorus]

I'll be waiting for you.
Here inside my heart.
I'm the one who wants to love you more
You will see I can give you everything you need
Let me be the one to love you more

See me as if you never knew
Hold me so you can't let go
Just believe in me
I will make you see
All the things that your heart needs to know

[Chorus]

I'll be waiting for you
Here inside my heart
I'm the one who wants to love you more
You will see I can give you everything you need
Let me be the one to love you most

Somewhere all the love that we have
can be saved
What ever it takes
We'll find a way

Believe me (believe me)
I will make you see
All the things that your heart needs to know

[Chorus]

I'll be waiting for you
Here inside my heart
I'm the one who wants to love you more
You will see I can give you everything you need
Let me be the one to love you more
