I'm Your Angel

Celine Dion (Duet with R. Kelly)

No mountain's too high for you to climb
All you have to do is have some climbing faith, oh yes
No rivers too wide for you to make it through
All you have to do is believe it when you pray
And then you will see
The morning will come
And everyday will be bright as the sun
So all of your fears
All of your fears
Cast them on me
All I ever wanted was you to see
I'll be your cloud up in the sky
I'll be your shoulder when you cry
I'll hear your voices when you call me
I am your Angel
And when all hope is gone, I'm near
No matter how far you are, I'm near
It makes no difference who you are
I am your Angel
I'm your Angel, oh yes
I saw your teardrops, and I heard you cry
All you need is time
Seek me and you shall find
You have everything and you're still alone
It don't have to be this way
Let me show you a better day
Oh and then you will see
The morning will come
And all of your days will be bright as the sun
All of your fears
All of your fears
Just cast them on me
How can I make you see
I'll be your cloud up in the sky
I'll be your shoulder when you cry
I'll hear your voices when you call me
I am your Angel
And when all hope is gone, I'm near

No matter how far you are, I'm near
It makes no difference who you are
I am your Angel
I'll be your cloud up in the sky
I'll be your shoulder when you cry
I'll hear your voices when you call me
I am your Angel
And when all hope is gone, I'm near
No matter how far you are, I'm near
It makes no difference who you are
I am your Angel
I'll be your cloud up in the sky-
