Faith, trust, love
Love can, love can move mountains

There ain't a dream that don't have the chance to come true now
It just takes a little faith, baby
Anything that we want to do, we can do now
There ain't nothing in our way, baby

Nothing our love couldn't rise above
We can get through the night, we can get to the light
Long as we got our love to light the way

With a little faith, just a little trust
If you believe in love, love can move mountains
Believe in your heart and feel, feel it in your soul and love
Love can, love can move mountains
Oh, yeah, baby

Oceans deep and mountains high, they can't stop us
Because love is on our side, baby
We can reach the heavens and touch the sky
Just believe it, believe in you and I, baby

If we got love that is strong enough
We can do anything, we'd get through anything
'Coz through it all love will always find a way

Just a little faith, just a little trust
If you believe in love, love can move mountains
Believe in your heart and feel, feel it in your soul and love, baby
Love can, love can move mountains
You got to feel it, baby, oh, yeah

You believe in me, I believe in you
If we believe in each other, nothing we can't do
If we got love that is strong enough, then we'll find a way

With a little faith, just a little trust

If you believe in love, love can move mountains
Believe in your heart and feel, feel it in your soul and
love
Love can move mountains

Love will find a way, love will find a way, baby
Believe in each other, oh, baby
Believe in love, love can move mountains

Believe if your feeling love, love
You got to feel it, baby
You gotta, you gotta, you gotta, you gotta, you gotta
You gotta feel it baby, baby
