There's something in your eyes that's far too revealing  
Why must it be like this a love without feelin'  
Something is wrong with you I know  
I see it in your eyes  
Believe me when I say  
It's gonna be Okay

I told you from the start I won't be demanding  
I won't be demanding  
If you have a change of heart I'll be understanding  
I'll be understanding  
When love becomes a broken heart and dreams begin to die  
Believe me when I say  
We'll work it out some way

I'll never try to hold you back  
I wouldn't try controlling you  
If it's what you want  
It's what I want  
I want what's best for you  
And if there's something else that you're looking for  
I'll be the first to help you try  
Believe me when I say  
It's hard to say goodbye

We've lost that loving touch we used to feel so much  
I try to hide the truth that's in my eyes  
The love without feeling  
But when I feel we're not in love, I know I'm losing you  
Believe when I say  
We'll work it out some way

I'll never try to hold you back  
I wouldn't try controlling you  
If it's what you want  
It's what I want  
I want what's best for you  
And if there's something else that you're looking for  
I'll be the first to help you try  
Believe me when I say  
It's hard to say goodbye

Don't say goodbye

If it's what you want

It's what I want  
I want what's best for you

I'll never try to hold you back  
I wouldn't try controlling you  
If it's what you want  
It's what I want  
I want what's best for you  
And if there's something else that you're looking for  
I'll be the first to help you try  
Believe me when I say  
It's hard to say goodbye

I'll never try to hold you back  
I wouldn't try controlling you  
If it's what you want  
It's what I want  
I want what's best for you  
And if there's something else that you're looking for  
I'll be the first to help you try
