Just a little bit of love  
I was alone, I was afraid  
I couldn't face another day of pain in my life oh oh oh  
I called your name and you were there  
Just like an answer to a prayer  
You made it all right oh yeah

So I give my heart  
And I give my soul to you oh I do  
And now I know  
I know I found the truth oh hey

Just a little bit of love's gonna turn it around  
A little bit of love can do it  
And just a little bit of love's gonna turn it  
Around, and around, and around, oh yeah

I found the truth I found the way  
I'm standing in the light of day  
I got the power  
I'm not worried any longer  
No I'm only getting stronger by the hour

You can move a mountain  
Or calm the stormy sea  
There's no doubt about it  
I truly do believe

Just a little bit of love's gonna turn it around  
A little bit of love can do it

And just a little bit love's gonna turn it  
Around, around, and around, oh yeah

Just a little bit of love's gonna turn it around  
A little bit of love can do it  
And just a little bit of love's gonna turn it  
Around, and around, and around, oh yeah

*[Break]*

And it can free your mind

Yes it can free your soul  
Yes it can free your mind  
And it can free your soul

Free your soul let it go let it go  
Just a little bit of love just a little bit of love  
yeah

Just a little bit of love's gonna turn it around  
A little bit of love can do it  
And just a little bit of love's gonna turn it  
Around, and around, and around, oh yeah

Just a little bit of love's gonna turn it around  
A little bit of love can do it  
And just a little bit of love's gonna turn it  
Around, and around, and around, oh yeah
