I understand that you've met someone  
With a perfect heart  
But you've been questioned by everyone  
So you're in the dark  
Can you choose to fall  
Should you risk it all

How'm I gonna stop it if you wanna give it all to love  
When I'm on your side  
And I understand you're the only one to know  
Whether wrong or right  
Let your heart decide (you're the only one)

How'm I gonna stop it if you wanna give it all to love  
When I'm on your side  
And I understand you're the only one to know  
Whether wrong or right  
Let your heart decide (you're the only one)

Some may tell you  
Don't take the risk  
It's a waste of time  
But if you think you'll find happiness

Baby take the dive  
It's unusual  
But it's critical

How'm I gonna stop it if you wanna give it all to love  
When I'm on your side  
And I understand you're the only one to know  
Whether wrong or right  
Let your heart decide (you're the only one)

How'm I gonna stop it if you wanna give it all to love  
When I'm on your side  
And I understand you're the only one to know  
Whether wrong or right  
Let your heart decide (you're the only one)

Give it up

How'm I gonna stop it if you wanna give it all to love  
When I'm on your side  
And I understand you're the only one to know  
Whether wrong or right  
Let your heart decide (you're the only one
