Look at you baby  
The picture of a broken man  
Your confidence is shaken  
The world caved in on you again  
But I know what to do to ease the pain  
And bring you back to life again, , ,

*[Chorus I]*

A little bit of love  
Can go a long way sometimes  
A little bit of love  
Is really all you need  
When life gets tough you need  
A little bit of love sometimes

Oh baby hold me  
Let all that anger disappear  
A little smile is showing  
Something's catching fire here  
And when the morning comes you'll be good as new  
You'll take this night that we've shared with you, , ,

*[Chorus II]*

A little bit of love  
Can go a long way sometimes  
A little bit of love  
Is really all you need  
When life gets tough you need  
A little bit of love sometimes  
A little bit of love  
Can go a long way sometimes

A little bit of love  
Is stronger than anything  
Words ain't enough, , , you need, , ,  
A little bit of love sometimes

*[Bridge]*

You've done it before, you'll do it again  
Get up off the floor, and jump right back in  
Baby, I still believe in you  
And we'll see this through

'Cause true love is on our side

*[Breakdown]*

A little bit, a little bit, , ,

*[Solo]*

*[Chorus III]*

A little bit of love  
Can go a long way sometimes  
A little bit of love  
Is really all you need  
When life gets tough you need  
A little bit of love sometimes  
A little bit of love  
Can go a long way sometimes  
A little bit of love  
Is really all you need  
When life gets tough you need  
A little bit of love sometimes  
A little bit of love
