Oh Mammy Oh Mammy Mammy Blue  
Oh Mammy Blue

Je suis partie un soir d'Ã©tÃ©  
Sans dire un mot sans t'embrasser  
Sans un regard sur le passÃ©, passÃ©  
DÃ©s que j'ai franchi la frontiÃ©re  
Le vent soufflait plus fort qu'hier  
Quand j'Ã©tais prÃ©s de toi ma mÃ©re, oh ma  
mÃ©re

(I left on a summer night  
Without saying a word without kissing you  
Without a look at the past, past  
As soon as I crossed the border  
The wind was blowing harder than yesterday  
When I was near you mother, oh my mother)

Oh Mammy Oh Mammy Mammy Blue  
Oh Mammy Blue

La maison a fermÃ© ses yeux  
Le chat et les chiens sont trÃ©s vieux  
Et ils viennent me dire adieu, adieu  
Je ne reviendrai plus jamais  
Dans ce village que j'aimais oÃ¹ tu reposes  
Ã©? tout jamais, d'Ã©sormais...

(The house has closed its eyes  
The cat and the dogs are very old  
And they come to tell me goodbye, goodbye  
I will never come back  
In this village that I loved where you rest  
Forever, from now on... )

Oh Mammy Oh Mammy Mammy Blue  
Oh Mammy Blue
