I've been over you for some time now, baby  
I don't miss your kiss like before now anymore now  
If you asked me how I'm doin', I'm fine  
All I needed was a little time

So if you still think that I still need you, baby  
I really don't know why

Oh, baby, since you left me  
You might think that my world's been torn apart  
But if you see me, baby, you'll see  
That nothing's broken, nothing broken but my heart

You won't find no tears in my eyes now, baby  
If you think I'm sad that you're gone now  
Then you're wrong now  
If you ask I'll say I'm happy, I'm free  
Tell you that's the way I wanna be

And all those nights we shared together, baby  
Well, they don't mean a thing

Oh, baby, since you left me  
You might think that my world's been torn apart  
But if you see me, baby, you'll see  
That nothing's broken, nothing broken but my heart  
So if you still think that I need you, baby  
I don't think about you, I'm happy now without you

Oh, baby, since you left me  
You might think that my world's been torn apart  
But if you see me, baby, you'll see  
That nothing's broken, nothing broken but my heart  
Nothing broken, nothing broken but my heart

Yeah, baby, you might think my worlds been torn apart  
Nothing's broken, nothing broken but my heart

Baby, since you left me  
You might think that my world's been torn apart  
But if you see me, baby, you'll see  
That nothing's broken, nothing broken but my heart

Nothing broken but my heart

Baby, nothing's broken but my heart  
Baby, oh, yeah, nothing's broken but my heart  
You know I love you, you know

Nothing broken but my heart  
Nothing broken but my heart  
Nothing broken but my heart
