I'm looking back through the years  
Down this highway  
Memories, they all lead up to this one day  
And many dreams lost along the way  
Haunt me still  
I guess they always will  
When love was too much to bear  
I just left it there  
But here I stand face to face  
With this heart of mine  
Livin' without you I only fall behind  
We had a love most people never find  
All this time I never realized  
And the courage I finally found  
Has made me turn around

There is only one road I'm walkin'  
Only one lifetime, one heart to guide me  
Only one road I'm walkin'  
But I'm gonna run back, I'm gonna run back  
Cause I need you right here  
Beside me

I can still hear the song of your laughter  
I can still taste the sorrow of your tears  
We said goodbye but our hearts did not hear  
Now my love there's nothing left to fear  
With all my heart put me through  
It leads me back to you

There is only one road I'm walkin'  
Only one lifetime, one heart to guide me  
Only one road I'm walkin'  
But I'm gonna run back, I'm gonna run back  
Cause I need you right here  
Beside me

There is only one road I'm walkin'  
Only one lifetime, one heart to guide me  
Only one road I'm walkin'  
But I'm gonna run back, I'm gonna run back  
Cause I need you right here

Beside me

I'm gonna run back, I'm gonna run back  
'Cause I need you right here  
Beside me
