(It's inevitable)

I didn't know there was a plan  
Somewhere a perfect plan  
I don't believe in the stars  
And then you smiled at my pretence  
As you broke down my defenses  
Just wanna be where you are

Loving like fashion  
The look remains the same  
I'll wear you all forever  
But some things never change

Like rain, tax  
After lightening the thunder blast  
Sooner or later  
It had to come through

Like rain, tax  
Please grow up through the previous \_  
Do you see what I want  
What I want is you

Thought our life was logical  
That love was a miracle  
That happened to someone else but me

Maybe I must have said a little prayer  
Only I looked up when you were there  
And the rest is history

I don't want to be an island anymore  
Just resign your sail  
Just there's one thing for sure

Rain, tax  
After lightening the thunder blast  
Sooner or later  
It had to come through  
(It's inevitable)

Like rain, tax  
Please grow up through the previous \_  
Do you see what I want  
What I want is you

It had to be you  
It had to be you  
Say you'll be here for ever  
You and me here together

(Do you see what I want)  
(What I want is you)  
What I want is you

Like Rain  
(Tax)  
(After lightening the thunder blast)  
(It's Inevitable)  
Sooner or later  
It had to come through

(Like Rain)  
Rain  
(Tax)  
Tax  
(Please grow up through the previous \_)  
It's inevitable  
(Do you see what I want)  
(What I want is you)

It's inevitable  
Rain  
(Tax)  
(After lightening the thunder blast)  
(It's Inevitable)

If you could see what I want  
(It had to come through)  
It's inevitable  
(Rain, tax)

(Please grow up through the previous \_)  
(It's inevitable) If you could see what I want (What I want  
is you) (Oh, rain, tax)
