Sleep Tight

Now hush  
My little one  
Don't be afraid  
Your daddy's right here

It's just  
A little dream  
And now it's gone  
There's nothing to fear

So close your eyes  
I'll sing a sweet lullaby  
Lay your head close to my heart

(chorus)  
And sleep tight  
The angels hover over you  
They spread their wings  
To keep you safe and warm  
The starlight  
In the heavens high above you  
Will light a path  
To find your way back home  
Sleep tight

And now  
My sleepy head  
Your carriage waits  
To take you off to bed

Let go  
Your tiny hands  
And drift away  
To a bright enchanted land

I promise you  
Your sweetest dreams will come true  
Now leave this weary world behind

(chorus)

So close your eyes  
And wish upon the brightest star  
'cause when you dream  
It doesn't matter where you are  
Near to me or very far  
I'll always be with you

(whispered)  
Sleep tight  
Sleep tight  
Sleep tight

(chorus

Yeah I'll keep you safe  
Safe and warm
