Quand la neige recouvre la verte finlande
Et que les rennes traversent la lande
Le vent dans la nuit
Au troupeau parle encore de lui

When the snow covers up the green finland
And that reindeers cross the land
The wind in the night
To the herd still speaks about him
On l'appelait nez rouge
Ha comme il Ã©tait mignon
Le p'tit renne au nez rouge
Rouge comme un lumignon

We were calling him red nose
Ha he was so cute
The little red nosed reindeer
Red like a snuff
Son p'tit nez faisait rire
Chacun s'en moquait beaucoup
On allait jusqu'Ã dire
Qu'il aimait boire un p'tit cou

His little nose was making laugh
Everyone was laughing a lot about it
We even said
That he loved drinking a bit
Une fÃ©e qui l'entendit
Pleurer dans le noir
Pour le consoler lui dit
Ã«viens au paradis ce soir? p>

A fairy heard him
Crying in the night
To comfort him she said
"come to the paradise tonight"
Comme un ange nez rouge
Tu conduiras dans le ciel
Avec ton p'tit nez rouge
Le chariot du pÃ¨re noÃ«l? p>

Like an angel red nose

You'll drive in the sky
With your little red nose
The santa claus' sledge
Quand ses frères le virent d'allure aussi leste
Suivre trās digne les routes cālestes
Devant ses ābats
Plus d'un renne resta baba

When his brothers saw him have a so beautiful allure
Following very dignified the roads of the sky
Facing his revels
More than a reindeer were absolutely amazed
On l'appelait nez rouge
Ha comme il ātait mignon
Le p'tit renne au nez rouge
Rouge comme un lumignon

We called him red nose
Ah he was so cute
The little red nosed reindeer
Red like a snuff
Maintenant qu'il entraāne
Son char ā travers les cieux
C'est lui le roi des rennes
Et son nez fait des envieux

Now that he pulls
His sledge across the skies
It's him the king of reindeers
And his nose make others envious
Vous fillettes et garāsons
Pour la grande nuit
Si vous savez vos leāsons
Dās que sonnera minuit

You girls and boys
For the great night
If you know your lessons
As soon as will ring midnight
Ce petit point qui bouge
Ainsi qu'une ātoile au ciel
C'est le nez de nez rouge
Annonāant le pāre noā«l
Annonāant le pāre noā«l
Annonāant le pāre noā«l

This little dot that moves
Like a star in the sky
It's the nose of red nose
Announcing santa claus
Announcing santa claus

Announcing santa claus
