Deep within each heart
There lies a magic spark
That lights the fire of our imagination
And since the dawn of man
The strength of just I can
Has brought together people of all nations
There's nothing ordinary in the living of each day
There's a special part every one of us will play

Feel the flame forever burn
Teaching lessons we must learn
To bring us closer to the power of the dream
As the world gives us its best
To stand apart from all the rest
It is the power of the dream that brings us here

Your mind will take you far
The rest is just pure heart
You'll find your fate is all your own creation
And every boy and girl
As they come into this world
They bring the gift of hope and inspiration

Feel the flame forever burn
Teaching lessons we must learn
To bring us closer to the power of the dream
The world unites in hope and peace
We pray that it will always be

It is the power of the dream that brings us here
Oooooohhhhhhh

There's so much strength in all of us
Every woman child and man
It's the moment that you think you can't
You'll discover that you can

Feel the flame forever burn
Teaching lessons we must learn
To bring us closer to the power of the dream
The world unites in hope and peace
Pray that it will always be

It is the power of the dream that brings us here

Feel the flame forever burn
Teaching lessons we must learn
To bring us closer to the power of the dream
Yeaaaaaahhhhhh
The world unites in hope and peace
We pray that it will always be
It is the power of the dream that brings us here

The power of the dream
Faith in things unseen
Courage to embrace your fear
No matter where you are
Reach for your own star
To realize the power of the dream
To realize the power of the dream
