Laugh and cry  
Live and die  
Life is a dream we're dreaming  
Day by day  
I find my way  
Look for the song and the meaning

Then you look at me  
And I always see  
What I have been searching for  
I'm lost as can be  
Then you look at me  
And I am not lost anymore

People run  
Sun to sun  
Caught in their lives ever flowing  
Once begun  
Life goes till it's gone

We have to go where it's going

Then you look at me  
And I always see  
What I have been searching for  
I'm lost as can be  
Then you look at me  
And I am not lost anymore

And you say you see  
When you look at me  
The reason you love life so  
Though lost I have been  
I find love again  
And life just keeps on running  
And life just keeps on running  
You look at me and life comes from you
