Oh, oh, wo  
Heyyy  
In these moments, moments of our lives  
All the world is ours  
And this world is so right  
You and I sharing this time together  
Sharing the same dream  
As time goes by we will find

These are the special times  
Times we'll remember  
These are the precious times, the tender times  
We'll hold in our hearts forever

These are the sweetest times  
These times together  
And through it all, one thing will always be true  
The special times are the times I share with you  
Yeah, yeah, yeah, yeah

With each moment, moment passing by  
We'll make memories that will last all our lives  
As you and I travel through time together  
Living this sweet dream  
And every day, we can say

These are the special times  
(These are the special times)  
Times we'll remember  
(Times we'll remember)  
These are the precious times, the tender times  
(The tender tender times)  
We'll hold in our hearts forever

These are the sweetest times  
(Hold in our hearts forever)  
These times together  
(Ohhh)  
And through it all, one thing will always be true  
(One thing will always be true, yeah, yeah, yeah)  
The special times are the times I share with you  
(I do)

These tender moments  
When heaven is so close  
(Yeah)  
These are the moments that I know

These are the special times  
(These are the special times)  
Times we'll remember  
These are the precious times, the tender times  
(The precious times)  
(The tender times)  
We'll hold in our hearts forever

These are the sweetest times  
These times together  
(Forever)  
And through it all, one thing will always be true  
The special times are the times I share  
(The special times)  
Are the times we share  
(The special times)  
Are the times I share  
Special times I share with you
