In these moments, moments of our lives  
All the world is ours  
And this world is so right  
You and I sharing this time together  
Sharing the same dream  
As the time goes by, we will find

These are the special times  
Times we'll remember  
These are the precious times  
The tender times we'll hold in our hearts forever  
These are the sweetest times  
These times together  
And through it all, one thing will always be true  
The special times are the times I share with you

With each moment, moment passing by  
We'll make memories that will last all our lives  
As you and I travel through time together  
Living this sweet dream  
And every day, we can say

These are the special times  
Times we'll remember  
These are the precious times  
The tender times we'll hold in our hearts forever  
These are the sweetest times  
These times together  
And through it all, one thing will always be true  
The special times are the times I share with you

These tender moments  
When heaven is so close  
These are the moments that I know

These are the special times  
Times we'll remember  
These are the precious times  
The tender times we'll hold in our hearts forever  
These are the sweetest times  
These times together  
And through it all, one thing will always be true  
The special times are the times I share  
The special times are the times we share  
The special times are the times I share with you
