Treat her like a lady  
Boy I mean queen

Somebody mind him, somebody mind him, blocked the  
hit and run, yes  
Somebody mind him, blocked the hit and run

Go, go goes around, comes around, go  
Go, goes around, comes around, go  
Go, goes around, comes around, go, go

All the girl could want was a little attention  
From a man who's strong and not to mention  
Kiss and caressing her all night long  
But all that boy wants is to hit and run off  
He and his friends, they sit and they laugh  
Going around talking 'bout the girls they used in the  
past

You gotta get what's comin' to you  
For all the bad, bad things you do to your

Lady, treat her like a lady  
You'll make a good girl crazy, if you don't treat her like  
a lady  
Lady, treat her like a lady  
You'll make a good girl crazy, if you don't treat her like  
a lady

Go, go, goes around, comes around, go, go

She stopped going to church, she don't wanna go to  
school  
She left with anger when he took her for a fool  
Even though her friends tell her to just keep cool  
Didn't tell her from the start just what he had planned  
Right in her face with another woman  
Now she's in jail for attacking her man

You gotta get what's comin' to you  
For all the bad, bad things you do to your

Lady, treat her like a lady  
You'll make a good girl crazy, if you don't treat her like  
a lady  
Lady, treat her like a lady  
You'll make a good girl crazy, if you don't treat her like  
a lady  
Go, go, goes around, comes around, go, go

Treat her like a lady, oh baby  
Treat her like a lady, baby  
Treat her like a lady, baby  
Treat her like a lady  
Treat her like a lady

Somebody mind him, somebody mind him, blocked the  
hit and run, yes  
Somebody mind him, blocked the hit and run  
Somebody mind him, somebody mind him, blocked the  
hit and run, yes  
Somebody mind him, blocked the hit and run

Go, go, goes around, comes around, go  
Go, goes around, comes around, go  
Go, goes around, comes around, go, go

Tell it to her straight, she can take the truth  
Don't lead her on and on and leave her confused  
Anyone would rather be alone than be used  
Don't sit and think you'll hurt her feelings  
She only wants to know just what the deal is  
Next time beware of whose heart you're breaking

You gotta get what's comin' to you  
For all the bad, bad things you do to your

Lady, treat her like a lady  
You'll make a good girl crazy, if you don't treat her like  
a lady  
Lady, treat her like a lady  
You'll make a good girl crazy, if you don't treat her like  
a lady

Lady, treat her like a lady  
You'll make a good girl crazy, if you don't treat her like  
a lady  
Lady, treat her like a lady  
You'll make a good girl crazy, if you don't treat her like  
a lady

Lady, treat her like a lady  
You'll make a good girl crazy, if you don't treat her like

a lady

Treat her like a lady, treat her like a lady

Treat her like a lady, treat her like a lady
