Somewhere tonite
We come alive
Two hearts ignite
We're one of a kind

Here we are undivided by anything
Just you and I
We've come so far no one else
Could ever steal away what we confide
Who wants to know?

We stick together, we're never apart
Everybody knows who we are
Because we are one, we do it in unison

Gleam of an eye
Flash of a smile
Never too shy
Playin' ever so wild

Here we are I'm relying on no one else
But you and I
We've come so far, no one else
Could ever steal away what we confide
Who wants to know?

We stick together, we're never apart
Everybody knows who we are
Because we are one, we do it in unison

We come together and stronger we are
Just when the world can, can tear us apart
We go on as one, we do it in unison

We stay together, ooh baby
Unison
Stay together, you and me
Ooh

Ooh, here we are undivided by anything
Just you and I
We've come so far no one else

Could ever steal away what we confide
Who wants to know?

We stick together, we're never apart
Everybody knows who we are
Because we are one, we do it in unison

We come together and stronger we are
Just when the world can, can tear us apart
We go on as one, we do it in unison

We stick together, we're never apart
Everybody knows who we are
Because we are one, we do it, do it, do it in unison

We come together and stronger we are
Just when the world can, can tear us apart
We go on as one, we do it in unison, yeah yeah

We stick together, we're never apart
Everybody knows who we are
Because we are one, we do it in unison
