(Will Jennings - Jack Nitzche - Buffy Sainte-Marie)

Who knows what tomorrow brings  
In a world, few hearts survive  
All I know is the way I feel  
When it's real, I keep it alive

Love lift us up where we belong, where the eagles cry  
On a mountain high  
Love lift us up where we belong, far from the world  
We know, up where the clear wind blow

Love lift us where we belong  
L? o? pleurent encore  
Ceux qui se croient morts

Love lift us where we belong  
Quand on est l?-haut  
Le monde est si beau
