Virginie...roman d'amour
Virginie jolie
Dans cette Ã©cole oÃ¹ tu as vu le jour
Paul a vu le jour
Lui aussi
De rencontres en rendez-vous
Vous avez grandi
Dans le grand jardin aux arbres fous
OÃ¹ chante l'oiseau
De paradis

(Virginie...love story
Cute Virginie
In this island where you were born
Paul was born
As well
From meetings to rendez-vous
You have both grow
In the garden with crazy trees
Where sings the bird
From paradise)

Oh...
Je voudrais qu'un jour un garÃ§on me regarde
Comme en ce temps-lÃ ce garÃ§on-lÃ te regardait
ÃŠtre aimÃ©e comme il t'aimait Ã chaque page
De ce livre oubliÃ©

(Oh...
I would like that some day a guy looks at me
Like in those times that boy was looking at you
Be loved like he loved you at every page
From that forgotten book)

Virginie...roman d'amour
Virginie jolie
Dans l'eau claire oÃ¹ Paul cherchait tes yeux
Tu cherchais ses yeux
Toi aussi

Vent du large et fleurs au vent
Parfumaient la nuit
Et l'amour n'avait que deux enfants
C'Ã©tait Paul et toi
Devant la vie

(Virginie...love story
Cute Virginie
In the clear water Paul was looking for your eyes
You were looking for his eyes
As well
Wind from offshore and flowers in the wind
Were perfuming the night
And love only had two children
They were you and Paul
Facing the life)

Je n'ai lu que le dÃ©but de votre histoire
On me dit que ce beau livre finit tristement
Mais vos noms ne laisseront dans ma mÃ©moire
Qu'un sourire Ã©clatant

(I only read the beginning of your story
They tell me that this beautiful book ends up sadly
But your names will only leave in my memory
A shining smile)

Virginie...roman d'amour
Virginie jolie
Dans cette Ã®le oÃ¹ tu vivras toujours
Paul vivra toujours
Lui aussi

(Virginie...love story
Cute Virginie
In this island where you'll live forever
Paul will live forever
As well)

...Virginie...
