When I fall in love
It will be forever
Or I'll never fall in love

In a restless world, like this is
Love is ended before its begun
And too many moonlight kisses
Seem to cool in the warmth of the sun

When I give my heart
It will be completely
Or I'll never give my heart
Oh let me give my heart

And the moment I can feel that
You feel that way too
(I feel that way too)
Is when I fall in love
(I fall in love)
With you

When I fall in love
It will be forever
Or I'll never fall in love
(Oh, I'll never, never fall in love)

In a restless world like this is
Love is ended before its begun
And too many moonlight kisses
Seem to cool in the warmth of the sun

When I give my heart
It will be completely
Or I'll never give
(I'll never give)
My heart
(Oh, I'll never give my heart)

And the moment I can feel that
You feel that way too
Is when I fall in love
When I fall in love

When I fall in love with you
