Don't care, what they think  
How they feel, or what they say  
You're everything, I never knew  
I always wanted, baby  
I've been warned, so many times  
They tell me I've ignored the signs

But nobody knows you like I do  
The only one for me is you

I can't stop, can't fight, can't resist it  
When the wrong one loves you right  
(Oh-oh-oh-oh-yeah)  
Can't run - can't hide - can't say no  
When the wrong ones loves you right  
(Oh-oh-oh oh)  
When the wrong ones loves you right

Getting tired, of hearing that  
You're dangerous, but they won't stop  
Until I leave, they won't believe  
That being with you won't break my heart  
So worried 'bout, the road ahead  
They can't see that, you're my best friend

They're never gonna take me away from you  
There's nothing they can do

I can't stop, can't fight, can't resist it

When the wrong one loves you right  
(Oh-oh-oh-oh-yeah)  
Can't run - can't hide - can't say no  
When the wrong ones loves you right  
(Oh-oh-oh oh)  
When the wrong ones loves you right

How can I walk away  
When the feeling's so strong  
I know you're where I belong  
They say I let my heart  
Make up my mind

That's why I'll never say goodbye

I can't stop, can't fight, can't resist it  
When the wrong one loves you right  
(Oh-oh-oh-oh-yeah)  
Can't run - can't hide - can't say no  
When the wrong ones loves you right  
(Oh-oh-oh oh)  
When the wrong ones loves you right

I can't stop, can't fight, can't resist it  
When the wrong one loves you right  
(Oh-oh-oh-oh-yeah)  
Can't run - can't hide - can't say no  
When the wrong ones loves you right  
(Oh-oh-oh oh)  
When the wrong ones loves you right
