I used to feel uninspired
And when I knew I had to face another day
Oh it made me feel so tired
Before the day I met you
Life was so unkind
But your love was the key to my peace of mind
Cause you make me feel
You make me feel
You make me feel
Like a natural woman
When my soul was in the lost and found
You came along to claim it
And didn't know just what was wrong with me
Oh till your kiss helped me name it
Now I'm no longer doubtful
Of what I'm livin' for
Cause if I make you happy
I don't need to do more
Cause you make me feel
You make me feel
You make me feel

Like a natural woman

Oh baby what you've done to me

You make me feel so good inside

Good inside

And I, I just wanna be close to you

Because you make me feel so alive

Oh what you've done to me

Close to you because you make me feel so alive

You make me feel

You make me feel

You make me feel

Like a natural woman

Woman

You make me feel

You make me feel

You make me feel

Like a natural woman

You make me feel

Oh baby what you do to me

Can make me feel so good inside

I just wanna be, I just wanna be

Oh what you've done

Natural woman
