Sing sweet and low your lullaby
Till angels say, "Amen"
A mother tonight
Is rocking a cradle in Bethlehem

"A little child shall lead them", the prophets said of old
In storm and tempest keep them until the bell is tolled
"A little child shall lead them", the prophets said of old
Until the bell is tolled

Oh, wise men follow through the dark
A star that beckons them
A mother tonight
Is rocking a cradle in Bethlehem

"A little child shall lead them", the prophets said of old
In storm and tempest keep them until the bell is tolled
"A little child shall lead them", the prophets said of old
Until the bell is tolled

Sing sweet and low your lullaby
Till angels say, "Amen"
A mother tonight
Is rocking a cradle in Bethlehem
