(Hook)

I... *I Love You Boy...
I Love You Boy
And I Wont Ever Let You Go
I Love You Boy...
Loving You And Missing You
Never Gonna Let You Go
I Love You Boy
I Love You Boy
And I Wont Ever Let You Go
I Love You Boy
Loving You And Missing You
Never Gonna Let You Go

(you mean everything to me...
My L-O-V-E...
My lady my world...
My precious babygirl...
Apple of my eye
My precious pearl
My covergirl.)

(1st Verse;)

I wanna have you when I hold you
Down to do anything just for you
Cuz you knew and I knew too
That our relationship would come true
In spite all the ways sittin all up in your taste
Stay with each other now were willin to maintain
Now all these haters wanna come inside and play
Not on your level so I head up on my way
Cuz enserio I could seal the deal
And to have your heart foreal
And to be with a girl like you
Got never seen you givin me chills
And to climb the hill in this shady gang
Gotta do it have to do it any other way
You by my side cuz your always first place
Love you mija till the very last days
Thinkin bout my baby...
Thinkin bout my baby...
Thinkin thinkin bout baybee...

Thinkin bout my baby.
Thinkin bout my babybee...
Thinkin bout my baby...
Thinkin thinkin bout my baybee...
Thinkin bout my baby

(Second Verse;)

It's been some time since you were mine
That you gimme that love that I can't define
Loving you(missin you) all the time
Now your here and my heart shines
No matter what you do I'll be here for you
Like your lil miss so I'm staying true
Kissing your lips is a dream come true
Te quiero baybe is jus me and you
I belong to you and you belong to me
That's rite baby we were meant to be
No other chick knows you better than me
Loves and cares deep quite like
Fransisco te amo con todo mi corazon
Sin ti mi vida no tenia razon
Just don't ever let me go
Another heart breakup I wont take nomore
You were my first love (my first kiss)
Member back in school when we were lil kids?
My best friend, the only man
That I would ever wanna tag
And I promise you baby
That I'll be here to the end

Just hold my hand
And our love will defend from the haters
Who don't wanna see us together
Make another room to mention
>>that's forever
