[1st verse]

You were tryna play me wrong you were tryna
disrespect
You were tryna fool around
So I said hold up
I found out your foolish shit
Werent even worth my time so I'm doing what I shoulda
done yeah I bet u think u tough

Your hitting back from the begining I don't even know
why were seeing all you did was drama and pain, drive
me crazy all up in the brain now I'm spinning I'm going
insane seeing your face it all the same fucking me over
and over I'm leaving your ass fucken lame

You were tryna play me wrong you were tryna
disrespect
You were tryna fool around
So I said hold up
I found out your foolish shit
Werent even worth my time so I'm doing what I shoulda
done yeah I bet u think u tough

Sick of the lies sick of the shit your the one I'm fucking
with gatta be real that's how I feel I loved you cuz your
cute fuck what you say fuck your ways fuck what you
think I'm done with your ass done with this shit your
better off a lil bitch kid

You were tryna play me wrong you were tryna
disrespect
You were tryna fool around
So I said hold up
I found out your foolish shit
Werent even worth my time so I'm doing what I shoulda
done yeah I bet u think u tough

Fuck the shit your jsut a bitch fuck yo ass pussy if you
want me back kiss my ass get of my shit and I said

You were tryna play me wrong you were tryna
disrespect

You were tryna fool around
So I said hold up
I found out your foolish shit
Werent even worth my time so I'm doing what I shoulda
done yeah I bet u think u tough

I played your game I did what u think fuck your bullshit
I'm done with this karmas a bitch and a lot of dick don't
need you I'm better off lifes a bitch aint that true life is
better cuz I aint got you you live your life you fucked up
your dum fuck your love foo

You were tryna play me wrong you were tryna
disrespect
You were tryna fool around
So I said hold up
I found out your foolish shit
Werent even worth my time so I'm doing what I shoulda
done yeah I bet u think u tough
