affected with perversion  
instinct and urge for abandoned woman  
abnormality, sexual gratification gained through  
causing  
pain  
degradation to anorectal sadism  
visions to mortal vengeance through bare-skinned  
clitoridectomy  
colobosis bludgeon inner self-gratification  
coprophagic defecation, carnal defilement  
catasexual gynephobic depravation process of  
excruciating  
agony  
stabwounded hemispheres smashed on the anterior  
chest  
visible abdominal bone fenestration occurred during  
the  
embryonic stillborn  
intestinal strangulation process choked by oxidized  
blade  
breathless drowned into offal swamps of gored  
intestinal  
juice  
miscarried headless born of sadistic decapitated  
infant  
remains  
odor of decaying flesh  
true extinction, malevolence and enmity  
execrated deceased enclosed by malice and  
abomination  
solid disfigurement occurred on essential parts of  
female  
torso  
liquid pus, plasma and sores drained by bestial  
impulse  
and sodomy  
bane of the weak existence ruined by disorganized  
fermentation  
obscured motivations by extreme cruelty
