"Menstrual Dismemberment"

Visit "[Menstrual Dismemberment](#)" on MotoLyrics.com

psycho realm perspective of disintegration of body tissues
forensic scenes through asphyxiation of dead body
decomposition of putrid mass
life function organs stabbed multiple times
miss the vital functions
loss of life, dissolution, departure
tits covered with infectious semen
raped tortured and abused
abdominal hysterectomy occurred mangled bowels
scattered
on the floor
Infliction of severe physical pain
loathsome mass of carnal diarrhoea, mucous, blood,
and
pus
psychopathically insane murdered half rotten remains
of
beauty
burned blonde hairs stuck on mutilated crashed face
pus fluid drained through head
destruction of soft tissues by bacteria
stench of bestial human condition
perspective vision of defilement
maggotization started after four days dying
unrecognizable identification of dead woman
dead reports of coroner
criminals collecting evidence at the crime scene
starting the medical examination of a deceased body
autopsy room ready to determine cause of butchery
autopsy and crime scene reports released
she had several lacerations on her body
steak knife found inside the bathtub near naked body
blood splatter was all over the room
report of cause of death
multiple lacerations and incised wounds to neck and
left forearm
brutally head crash and beaten and raped till dead
