"Schizoid Acts Of Mental Defloration"

Visit "[Schizoid Acts Of Mental Defloration](#)" on MotoLyrics.com

Disfigurized functions of anterior portion of the brain
senseless impulses throughout the body
cellular cauterization cerebral cortex.
osbscure genetics terms of psychopath illusions
mentally ill, dilapidation through neurotic disease
convulse human condition
consequences on anti-life, the brain development
remain
unclear
isolated brain regions refused normal life form
mind collapse, assimilating them through dehumanize
depressivity
transform the disease inner dialog into a catechism
with
internal logic
and self-consistency
death thoughts perverted into a monstrous and ghastly
form
the act of defloration
victims has to be pierced, slit, even chopped up
interact with them ritually
infliction, abuse and trauma
Schizoid overwhelming anxiety disorder and
depression
