Now as a child, the story would say  
Somebody will sweep you off your feet someday  
That's what I hoped through and happen with you  
More than you could know

I wanted to tell you that my heart's in your hands  
I prayed for the day that I would get the chance  
Just when I worked up the courage to try  
Much to my surprise

You had somebody else, yeah  
'Cuz these feelings I keep to myself

I may never get to hold you so tight  
I may never get to kiss you goodnight  
I may never get to look deep in your eyes  
Or so it seems

I always will be wishing you were mine  
I think about what could be all the time  
All the happiness that I could find  
Baby, a girl can dream

From the moment I wake up 'til I fall asleep  
I imagine you not with her but with me  
Talkin' and laughin', sharin' our dreams  
It's just a fantasy

'Cuz you had somebody else  
'Cuz these feelings I keep to myself

I may never get to hold you so tight  
I may never get to kiss you goodnight  
I may never get to look deep in your eyes  
Or so it seems

I always will be wishing you were mine  
I think about what could be all the time  
All the happiness that I could find  
Baby, a girl can dream

A girl can dream, it's true

And to call you my own  
Is the sweetest dream of all

I may never get to hold you so tight  
I may never get to kiss you goodnight  
I may never get to look deep in your eyes  
Or so it seems

I always will be wishing you were mine  
I think about what could be all the time  
All the happiness that I could find  
Baby, a girl can dream

Oh, a girl can dream
