Hey...yea...
Will I close my eyes?
Will I hold my breath?
Will I wanna cry?
Will our souls connect?
I've been thinking about it
When I go to bed
At night I wonder (wonder)

Will you hold my hand?
Will you speak of love?
Will the stars be shining in the sky above?
Will it be all I've been dreamin of?
For so long, holding on?

Our first kiss won't be the last
Our love's too deep to end that fast
And good things come to those who have to wait
I believe it's only time that keeps us from the thing
divine
And when it's here ya know Iâ'm gonna say (lay it on
my lips)

Will it taste like candy?
Will it be that sweet?
Will our hearts be racing to a heavenly beat?
Will the moment sweep me off my feet?
And draw me under (under)

Will I tremble (tremble) when I beg for more?
Will it be like anything I never felt before?
Will we be down for a little more?
One thing I
I know for sure...

X2
Our first kiss won't be the last
Our love's too deep to end that fast
And good things come to those who have to wait
I believe it's only time that keeps us from the thing
divine
And when it's here ya know Iâ'm gonna say (lay it on

my lips) (1) Gonna Say Now (2)

I can picture it all
Inside my head
Just how it's going to be
But a girl can only dream so much
Now she wants to make it real (make it real)

Put It Down

Our first kiss won't be the last
Our love's too deep to end that fast
And good things come to those who have to wait
I believe it's only time that keeps us from the thing
divine
And when it's here ya know Iâ€™m gonna say
