I try but I can't seem to get myself to think of anything  
but you

Your breath on my face, your warm gentle kiss  
I taste the truth, I taste the truth  
You know what I came here for, so I won't ask for more

I wanna be with you, if only for a night  
To be the one who's in your arms, who holds you tight  
I wanna be with you, there's nothing more to say  
There's nothing else I want more than to feel this way  
I wanna be with you

So I'll hold you tonight like I would if you were mine, to  
hold forevermore  
And I'll savor each touch that I wanted so much  
To feel before, to feel before  
How beautiful it is just to be like this

I wanna be with you, if only for a night  
To be the one who's in your arms, who holds you tight  
I wanna be with you, there's nothing more to say  
There's nothing else I want more than to feel this way

I wanna be with you, oh yeah  
I wanna be with you

Oh, baby, I can't fight this feeling anymore  
It drives me crazy when I try to  
So call my name and take my hand  
Can you make my wish, baby, your command?

Yeah, I wanna be with you, there's nothing more to say  
There's nothing else I want more than to feel this way  
I wanna be with you, oh yeah  
I wanna be with you, wanna be with you, yeah  
I wanna be, I wanna be with you, yeah, yeah

I wanna be baby, I wanna be with you, yeah, yeah  
I wanna be, I wanna be baby  
Oh baby, I wanna be, I wanna be with you  
I wanna be with you

I wanna be  
I wanna be with you  
I wanna be with you  
Wanna be with you
