Too much rainy days  
Rainy days  
Find so much lazy ways  
Lazy ways

I've got to get away, baby  
This kind of life is not for me

I'm working day and night  
Night and day  
Working for my pay  
On your way

It's all over me  
I can't stand it  
This kind of life  
Is not for me

I need a holiday  
Get away from the rush  
I've gotta get away  
From the rush of the week  
If the cost is cheap

I'll up and fly away  
Where the sun always shine  
Eight days a week

Cause there'll be sunshine  
Yes, I'll be walking into sunshine  
Sunshine, give me the sun  
Sunshine so all my  
Rainy days will all be gone

I could board a bus  
I'm checking into my early flight  
I've got to get away  
To see what's right for me

Walking by the sea  
(Go walking by the sea)  
That's when I'll be free

(No one to hurry me)

I can do as I please  
And my mind is at ease  
I won't need worry at all

I need a holiday  
Get away from the rush  
I've gotta get away  
From the rush of the week  
If the cost is cheap

I'll up and fly away  
Where the sun always shine  
Eight days a week

Cause there'll be sunshine  
Yes, I'll be walking into sunshine  
Sunshine, give me the sun  
Sunshine, sunshine

Sunshine, sunshine  
Sunshine, sunshine  
Sunshine, sunshine  
Sunshine, sunshine

I gotta get away  
I gotta do it now  
Gotta walk into the sun, ha ha

I gotta get away  
I gotta do it now  
Gotta walk into the sun, ha ha

I gotta get away  
I gotta do it now  
Gotta walk into the sun, ha ha...

And I'll be walking into sunshine  
I'll be walking into sunshine  
I'll be there

Get away, get away, get away
