you are correct, we are wrecked  
and to give into effect,  
this is the season for a response  
see, it's your place and your part  
slipping slowly off the mark  
you are the reasons for the remarks

toes to the line,  
now's your time for to publish & define  
your new position, your new heart  
we're carefully placed & disgraced  
in this battle trash and waste  
that's no condition for a new start

a connection i thought would not crack  
now it's skin right off our back  
that will surround us  
when deputies arrive,  
automatons, triple crowns,  
and your gallery of sound

part-time attention ain't what  
friendship's all about
