### "Judas Among Twelve"

Alas, alas go weep and weep again  
For theres a plague among thee  
The scandal of twelve  
Unfaithful disciple defecting from him

My mouth is the mouth of hell  
Rip the gospel with my words  
Awakening the atheist  
I redeem this earth from god

Reversing all speech  
I alter the word  
Receive the new birth!  
Tongues of fire descend upon thy heads

Fulfilling the prophecy  
I commit the sin unto death  
Unfolding the charlatan  
His stinking coven be corrupted!

Blamed and defamed  
Predestined for damnation  
Hanged and despised  
I killed thy lord
