You'll pay by your lives dirty and mean  
For your crimes in the bloodstained show  
The thought about your stench of your guts  
Through the air drives me mad

You'll go to the gallows, enjoy ourselves!  
Spreaded laughing, it's a good slow end  
We are bold praetorians, enormous rams  
And wild obsession through your flesh

Violence of the eagles din will rise again  
Prostration of bloody arenas of purity

The tortures are prepared  
They're half beast and half machine  
Demoniac jaws  
You'll face the ravaging troops, brazen chaos  
Of the insatiable prince of death

Violence of the eagles din will rise again  
Prostration of bloody arenas of purity
