Look at the future  
It's the hulking sculpture against the sky  
Cry for your bones  
It's the monarch of terrorizing jails  
That's your paved way fawning pace  
Threatening and wild slavery, swinging gladius impugnes

You'll crawl mat it's feet  
Subdued to the roman art of battery  
Admire the immortal  
Carnefix and cruelty dominator  
Face it's majesty, town of the towns  
Fanaticism moulds the vision of final return

Inclines to immensity  
Lasting overpowering prevaricator  
Rome is the light  
Sadist race of fatherland, Sadist race of fatherland
