While the woods call my name  
frozen winds blows through my hair  
Eagles of Rome fly up high  
Are you ready to feel the power  
of this land

Snow covers imperial Alps

Where the wind kiss the clouds up high  
Up high the white mountains  
touch the blue sky

Great endless realm is open wide  
The grasses of Gods sing the glory of this show

Snow covers imperial Alps

You're face to face with the force of nature  
It's time to fight no turning back  
It's time to live the power of Alps  
It's time of victory!
