I woke up Christmas morning, found out I was all alone  
I looked for my woman, I found out she was gone.

Such a bad time to leave me on this Christmas day  
I ain't gonna sit here and worry, I'm going out and play

I don't know how she did it, she took most everything  
Looked in my Christmas stocking, found her wedding  
ring

Such a bad time to leave me, on this Christmas day  
I ain't gonna sit here and worry, I'm going out and play

I ain't got no Christmas turkey  
Ain't got no Christmas pie  
Got my eye on another little girl, so I think I'm going to  
get by

Such a bad time to leave me, on this Christmas day  
I ain't gonna sit here and worry, I'm going out and play

She could've left me on Easter, or even Groundhog Day

She could've given me some warning before she went  
away

Such a bad time to leave me, on this Christmas day  
I ain't gonna sit here and worry, I'm going out and play

I ain't sure where she went to, must be with another  
man  
If she think I'm gonna sit here and worry, I don't really  
give a damn

Such a bad time to leave me, on this Christmas day  
I ain't gonna sit here and worry, I'm going out and play

I ain't got no Christmas turkey  
Ain't got no Christmas pie  
But got my eye on another little girl, so I think I'm going  
to get by

Such a bad time to leave me, on this Christmas day  
I ain't gonna sit here and worry, I'm going out and play
